aspaara Algorithmic Solutions AG
Technoparkstrasse 1, CH-8005 Zürich

How do we work?

1. Daily standups

2. Close collaboration

3. Superhero team spirit

Armaan Sami, Solutions Consultant @aspaara

" The aspaara team has always been there for me and allowed to me grow and experiment with their constant support, regardless of the outcome."

What we like in getting things done?

1. Take ownership for your area of expertise.

2. Modern approach in development

3. Close-knit team and collaboration

Dr. Kevin Zemmer, CTO, Co-Founder @aspaara

"At aspaara, we are committed to building new and creative solutions, so as a software developer you will have a big impact with your ideas. Work within a motivated and dedicated team, apply artificial intelligence to solve interesting challenges with a modern tech stack that is fun to work with."

Impact in what we do?

We maximize utilization of the scarcest resource on the planet: Our time

- Founded in 2015 out of ETH Zurich.

- International team of 14 talents and growing rapidly.

- Top-notch research financially supported by

  Federal Government of Switzerland.

We empower our talents to spend their time on those activities from which they gain the most.

Proudly 100% climate-neutral
